Can you please confirm that your Outlook calendars are up to date through the month of July?

Right now, it looks like July 16, 17 and 20 are pretty much completely open for all three of us, but I want to confirm that before responding to Lynn.

Thanks,
-MB

Mary Beth,
I touched based with Scott on scheduling a call with OhioAOC and USEPA to discuss the NFS options for CROC and Gorge. Scott advised to work with you on scheduling a time slot.

Scott said I can coordinate on scheduling an hour slot sometime in the coming weeks of July.

If you can provide me some timeslots that all three of you may have the next three weeks in July and I can work with our Team in Ohio to set up a call. Thanks.
